Travel Logistics and Expenses

All reasonable travel costs are expensed to you in addition to the honorarium. Kimi will gladly work with you to keep your travel costs to a minimum. Please contact our logistic coordinator regarding travel. Airfare is round-trip, non-stop round trip between Chicago O'Hare and your airport, arriving the night before the event. We try to make flight reservations 30 days prior to the event to reduce travel expenses. Kimi will avoid car rentals whenever feasible and will work with your primary contact regarding ground transportation. Fixed- price or per-diem rates are available upon request.

Audio-Visua Equipment

Kimi only requires a wireless lavalier microphone, a projector and screen for PowerPoint® slides.

Cancellations

We understand how quickly things can change. Should you need to cancel the speech, we request that you cover any non-reimbursable travel expenses already incurred. Should the speech be cancelled less than 2 weeks (14 calendar days) prior to the event, we require 50% of the honorarium.

Audio and Video Recording

Requests for recordings are handled individually and require agreement in advance. Copyrights of all recordings are retained by Kimi Hirotsu Ziemski and KSP Partnership, Inc. Copyright restrictions prevent any audience member from recording the event. Should event recording be granted, we require receipt of a complimentary copy of the recording.

Copyrights

No part of Kimi’s written or oral material used in this presentation may be reproduced or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise without the expressed written consent of Kimi or KSP Partnership, Inc.

Kimi gladly works with planners to customize speeches to meet your event’s goals.
